

- This request should only be used when your J-2 Spouse and/or J-2 Child will be leaving the U.S. and will not return for the rest of your J-1 program.
 - It is very important that you carefully decide to end a J-2's program.
 - Once your J-2's program is ended by IFSS, **it cannot be undone**. This means that we cannot create another J-2 program for your spouse or child.
- If your spouse or child wants to return to the U.S. after their J-2 program is ended, they will need to find a different immigration status to come to the U.S.
